

Bringing It Home

A Family Devotional

Matthew 4:18-22

Key Verse:

"Immediately they left everything..." Matthew 4:22

Review Questions:

1. Where was Jesus walking? (v18)
2. Who were the brothers that Jesus saw? (v18)
3. What were the brothers doing and why? (v18)
4. Why did Jesus tell the brothers to "come, follow me"? (v19)
5. How fast did the brothers act? (v20)
6. Who did Jesus see next? (v21)
7. What were these brothers doing? (v21)
8. How fast did these brothers leave everything? (v22)
9. Who did the brothers leave behind? (v22)

Think About:

What does it mean to leave everything?

Have you ever had to leave somewhere or someone? How did it feel?

Family Activity:

Imagine that you are going to leave home and start again somewhere else. You'll leave all your belongings behind. Write a list or draw a picture of everything you own (the big things anyway!).

Challenge each other this week to think about what it would mean to leave these things behind. Could you do this for Jesus? What would you miss most?

Is there anything that Jesus is asking you to lay aside for a while to help you focus on Him? Share with one another one thing and help one another lay it aside this week.

Pray Together:

Thank You Jesus that You laid aside your majesty. Thank You that You stepped down from heaven and came to earth so that I might know God. Help me to lay aside anything that does not help my relationship with You. I want to be someone that follows You with everything I have. Amen.
