Family Activity:

Write lists or draw all the people that your family follows. It could be political leaders, spiritual leaders, leaders in the community and so on.

Put these people into different circles: those you know have met Christ, those that have not met Christ and those of whom you are unsure. Display these three circles of leaders in a visible place in the house.

Agree to pray for these three circles of leaders this week and ask God to give them strength and make the right choices including to follow Jesus and live for Him.

Key Verse:

"I am Jesus, whom you are persecuting," he replied.

John 21:5b

Think About:

Have you met Jesus?

What was your experience?

Did you tell anyone about it?

When was the last time you told someone?

If you have not, would you like to meet Jesus?
